PROFILE

UI Designer with five years of experience, mainly in enterprise desktop and mobile applications. I focus on design systems and interactive prototyping. I also use AI tools to explore product concepts.

PROFESSIONAL EXPERIENCE

- **UI Designer**

Dec 2022 - Present

Comarch S.A.

 - Design user interfaces for enterprise desktop and mobile applications, including client-branded versions. Take responsibility for the design of selected projects and collaborate with developers, analysts and project managers.
 - Expanded an existing Figma design system and created a new one for another product. The work included variables, component libraries and documentation.
 - Used Factory AI to create an internal interactive prototype for consultants and developers. The prototype helped them set the direction for a new AI chat feature in a customer loyalty product.
 - Help other designers with complex Figma components, prototyping and AI-assisted workflows.
- **Junior UI Designer**

Nov 2021 - Nov 2022

Comarch S.A.

 - Led work on a design system for an enterprise customer loyalty product with another designer. Created reusable components, layouts and interaction patterns based on Atomic Design principles and WCAG guidelines. Documented the system and used it to design product screens.
 - Coordinated with developers as they implemented the design system in code. The system is still in use and continues to be developed by the team.
 - Prepared application designs for tenders by adapting feature scope and branding
- **Intern**

Aug 2021 - Oct 2021

Comarch S.A.

 - Benchmarked e-commerce purchase flows, then created low-fidelity wireframes and high-fidelity UI mockups.
- **Fleet Specialist and Logistics Assistant**

Jul 2016 - Jul 2021

Teamtechnik Production Technology Sp. z o.o.

 - Progressed from Logistics Assistant to Fleet Specialist. Supported logistics operations and managed a medium-sized fleet of passenger cars.

EDUCATION

- **Bachelor's Degree in Graphic Advertising and Multimedia**

Oct 2020 - Mar 2024

SWPS University in Cracow (formerly Tischner European University)

UX Specialization, grade: 5.0
- **Computer Graphics**

Oct 2019 - Jul 2020

Globlife School of Graphic Design
